Chancellor Report, Ray Cordell

Brother Knights,

Will winter ever end? I'm sure it will but probably not for a while! 4483 has some great activities planned to get you through it.

Our speaker for the February 20th social meeting comes from our very own kitchen. Besides being an outstanding cook, Chuck McKiel is a certified home inspector. He will share his encyclopedic knowledge of the physical structure and systems of a residential home from the basement to the tip of the roof. Whether you just moved in or have lived in your house for 50 years, come on by on the 20th and get the inside scoop from an expert

On February 22, Bourbon St., New Orleans comes to 15 N. Hickory when the ladies auxiliary and Holy Rosary Council throw a Mardi Gras party. So get your "Who Dat" on and come on down to the hall for traditional Cajun food, specialty drinks and fun. The cost is a meager \$20.00 per person for a great time on a cold winter's night. Watch your email and the registration table at meetings for more information and a registration form. And yes, there will be beads! Laissez les bons temps rouler (Let the good times roll).

Fraternally yours

Chancellor Ray Cordell

Chaplin Report - Deacon Joe Yannotta [Link to Joseph](#)

With our Holy Father both a Jesuit and taking the name Francis, much emphasis has been given to St. Francis of Assisi.

I recent read something written by Matthew Kelly;

Eight hundred years ago a young Italian man searching for meaning in his life went into a dilapidated old church and heard the voice of God speak to him: "***Rebuild my Church***. As you can see it is in ruins". St. Francis' first response was to repair and rebuild a number of small churches in and around Assisi, but the voice kept calling to him; Francis "***Rebuild my Church***. As you can see it is in ruins". God was calling him to rebuild his Church spiritually. If we listen carefully today we too can hear this same message saying the same thing to our hearts. The birth of Jesus has inspired people for over 2,000 years. I pray that this be our year to hear and answer God's call to rebuild his Church.

But I believe that this renovation must not only be within our walls . . . No, we need to be reaching out to those most in need. This year lets us take on our own mission, our own ministries to visit those in hospitals and nursing homes, to aid those in most need of life's basic necessities, to live lives that truly reflect not only the person Christ calls us all to be but, to be a shining example of who we are as Knights and Catholic Gentlemen.

As we begin the "**Year of the Strong Catholic Parent**" we need to take advantage of all the available recourses, from both our local parishes and the Archdiocese of Chicago, to aid us in bringing this message to all our friends, neighbors and especially our children. Together we can all **rebuild God's Church**.

In the words of Matthew Kelly, "***BE BOLD, BE CATHOLIC***".

Please save the date and bring a friend. More information to follow in the March Newsletter.

Sword and Baldric

The Sword and Baldric Club thanks everyone who attended the Spaghetti dinner or bought raffle tickets. The proceeds went to purchase a laptop computer and a tablet for two needy veterans who are continuing their education. Will Beiersdorf sent a small bio about one the recipients.

"There's a young man, approximately 24 years old who is in the Navy and stationed at Great Lakes Naval Training. He has been battling severe PTSD and was recently placed in a 45 day PTSD treatment program at James Lovell Naval Hospital. The laptop was perfect as this young man used it while in treatment and it allowed him to continue his online studies and keep in touch with his family. The young sailor was very thankful and appreciative for this gift and thought he might have to return, but once he understood that it was a gift, he was very relieved to know he could keep it."

Just a reminder that if you are 3rd member in good standing there is no longer is a waiting period to become a 4th degree Knight. The 4th degree exemplification will be held Saturday, May 3rd. For more information contact SK Dean Sordyl at 847.394.3307.

HOLY ROSARY COUNCIL,

Brother Knights & other readers of this newsletter!

From 1989 to 1996 our newsletter editor was P.K. (Come to our next business meeting and learn the true identity of this tongue in cheek editor.)

February is here, and January's New Year's resolutions have gone in ONE YEAR and out the other.

God created the world, but he did not finish it.... He left that to us! (or, She left that to us!)

The word "listen" contains the same letters as the word "silent"

God is like a mirror. The mirror never changes, but everyone who looks at it sees something different!

If you don't stand for something, you'll fall for anything.

He who throws mud loses ground.

Patient is the ability to let your light shine after your fuse has blown.

Your present GK thoughts.....There are a lot of things to do in February, go to a concert, visit a museum, observe ground hog day, and celebrate Elmo's Birthday (really!)..... or, attend one of our Knights of Columbus Meetings, meet old friends and make new friends.

Et pax Dei Omnibus

Mike McMahon, Grand Knight
