### **GRAND KNIGHT'S MESSAGE**

Brother Knights, Members of the Ladies Auxiliary, and Squires:

I am honored and humbled to have been elected as the 57th Grand Knight of Holy Rosary Council. I have been asked many times what I going to do as Grand Knight? I have thought about this question and my answer is; What are WE going to do as a Council?

As a Council, we can:

- 1) Recruit 40 new members. Every member of the Council can earn the Shining Armor pin. 40 new members, what a goal!
- 2) We can call members who have not attended a meeting or social meeting in a while and just see how they are doing. Let them know that Monday Night Football is every Monday. The Council calendar will list teams playing for each game. Everyone is welcome!
- 3) We can have a fundraiser or two to meet our goals to the State Council for our state required Charity requirements. Brian Marier is already working on an event prior to our Annual Turkey Shoot in November. If you have any suggestion(s) for an event, please bring them to your Council Officers.
- 4) We as a Council would like to see our younger members get more involved in any way they can. The majority of the Form 100's indicate that you want to volunteer. Come out for the 2014 ID Drive. Work at one of the Produce Mobiles at one of our Parishes or the surrounding Parishes. Volunteer for something at your local Parish and if required, request volunteers from the Council. Want to help run a youth event like the K of C soccer competition, free throw contest, let your officers know. If you have an idea for an event, again, let the Officers know. YOU are the future of Holy Rosary Council!
- 5) To our college bound Brother Knights, get involved with your local Newman Center. You are the future of the Knights of Columbus!
- 6) Some of our older Members have told me that "Holy Rosary was the place for parties." An evening out with good food, great companionship, and dancing. We realize that Family, School, Other Community Obligations and Time, have limited what we can do. One extra social event, can start the ball rolling. Again, if you have a suggestion, bring it to the Officers and ask for volunteers (if you have an idea and some volunteers lined up, we would let you "run with it".)
- 7) For those with children, grandchildren, nieces and nephews, WE would like to do more Family Outings. With as many sports teams as WE have, WE should be able to take in a game or two. Maybe even a Circus.

**Remember, what WE put into our Council is what YOU get out of it!**

Vivat Jesus!

Michael A. McNicholas

Grand Knight

### **Deputy Grand Knight's Report**

Brother Knights,

We have entered another fraternal year and I am honored to serve as your Deputy Grand Knight. The other officers and I are excited about the opportunities and challenges ahead of us, and look forward to helping 4483 grow and prosper.

One of the first opportunities that presents itself, is to increase the Council's bank account by earning over \$700.00 selling beer tickets and checking IDs on July 5th at Frontier Days. There are a total of 32 spots and we still have openings at both jobs (sales and checks) and at both times (4:45- 8:30 and 8:15- 11:15). If you haven't signed up to fill a spot yet we would love to have you. If you have stepped up, call a friend (over 21 and doesn't have to be a Knight) and share the fun. Email me at [scuba24@wideopenwest.com](mailto:scuba24@wideopenwest.com) or call at (847) 255-9381. We really need help with the early shift ID checks.

As we all know the first pillar of the Knights of Columbus is charity, and the Charity Committee encourages all Holy Rosary Knights to be on the lookout for worthy causes (especially those in our own back yard). It is as easy as filling out a simple form and placing it in my mail slot. The Committee meets every month before the officer's meeting (last Thursday of the month).

Finally, please plan to attend our annual ID Drive kickoff on Friday, August 22 and participate in the annual ID (Tootsie Roll) Drive in September. More details will follow.

Thank you again for the privilege to serve you and Holy Rosary Council 4483. Have a safe and happy holiday.

God bless you and the United States of America.

Fraternally yours,

Deputy Grand Knight Ray Cordell

### Chancellor's Report

Brother Knights and Ladies

We look forward to this new fraternal year. As your new Chancellor I look forward to serving the council to the best of my ability to provide interesting speakers and events over the next year. I will be open to your suggestions on what YOU would like to see to make this the most beneficial to our Council. I hope that each council member will make it a point to try and volunteer at 2 or 3 events or more this year. If you cannot volunteer at least come out and enjoy some of our events and have a good time.

At our social meeting in July, we are planning on having Karol O'Neil come speak to us about our seminarians and how we can support them. We hope she will be able to bring a couple seminarians that will be starting first year Theology at Mundelein Seminary. Following their presentation we will need your help with our Vocation Raffle mailing.

On Friday July 25th at 5:00PM, we are planning one of our first of many great events our annual "Pig Roast". Our good friend at BarBQphoria Chuck McKiel will be the head chef. This is always a good family event. Invite family, friends, neighbors and other member of your parish. This is one of our chances to shine and show those outside the council what we are all about.

### Chaplain's Report

*Jesus raised his eyes to heaven and said, "Father, the hour has come. Give glory to your son, so that your son may glorify you...I revealed your name to those whom you gave me out of the world. Now they know that everything you gave me is from you, because the words you gave to me I have given to them...and everything of mine is yours."*

Jesus never hesitated to give His Father all the glory. After all, all that He is comes from the Father. This truth was never forgotten by Jesus. *I think we can all learn a lot from His incredible example of honesty and humility.*

Summer time is here, it's the best time for games, fun and relaxation. Many of us will be packing up the car and heading for points unknown. The opportunity to explore new places and see new faces but, summertime or any other time of year is not a time to forget all of the blessing we have received and who has so graciously bestowed these blessing upon us.

Wherever you go, whatever trip you take, take the Lord with you. He certainly travels with you and He will see you safely home. Make room for him throughout your journey. If your plans take you to Disney World or any of the other theme parks with your children or grandchildren, stop and make sure you take a picture with Mickey, Daffy, Donald or whatever character you run into. After you've snapped the shot, look straight through their mask and into their eyes and tell them, *"God bless you."* It will shock the heck out of them.

***Evangelization Time*** is anytime regardless of our circumstances, time or place. As we grow in our Christian faith life, we are given more graces *and* more responsibilities. As we get closer to holiness, we carry a bigger Cross. But big does not mean heavy because, as the Lord has told us;

*Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. Matt 11:29*

A happy and Safe Summer

Deacon Joseph Yannotta

### Still have just group insurance?

As a Knights of Columbus field agent, I hear about group life insurance every week. If you have it, it's certainly not a bad thing, but it can be a misleading security blanket. Most times, the amount offered is far from what you need, and the only way to determine what you need is with a comprehensive needs analysis. Your group coverage is not based on any analysis. Instead, they apply a formula: you make X amount in salary and the group life is either a flat amount (\$15,000 seems popular) or a multiple of your salary (somewhere between 1.5 and 2.5 is common). Either way, it has nothing to do with the number of children you have, the mortgage balance you carry, or the amount of money your wife would need if you die. It's a completely random number.

It can also disappear at any time. All of us know people — friends, family members, neighbors — who have lost their jobs. When the job is lost, so is the group life insurance coverage. If the company experiences difficulty and budgets need to be cut, group life can be reduced or eliminated. And that decision could be made at the worst possible time for you.

Most group life insurance coverage reduces or disappears when you retire. Many times it can be converted, but at a very expensive premium (remember, you're no kid anymore when you retire, and premiums do rise as you get older). Just because you turn 65 doesn't mean you no longer need life insurance or need less coverage. Actually, the opposite is true.

Do you still own just group life insurance? It must be supplemented with a personally owned portfolio. I can tell you exactly how to blend your group benefit with your K of C life insurance so things can be in your control. Don't let the feeling of security that group life provides distract you from the real issue: taking control of your family's financial future!
