**GRAND KNIGHT'S MESSAGE**

Dear Friends,

November is the month of Thanks. We all have much to be thankful for and I am especially thankful for the opportunity to serve as your Grand Knight. I am also thankful for the wonderful board of officers that assist me in the administration of our council, and I am very thankful for all of my brother knights who support me and so freely give their time and wise counsel.

November is another busy month at 4483. A few topics include the Business Meeting on November 5<sup>th</sup> where I will be asking for a vote on expending up to \$700 for a joint purchase (us and the Building Corp) for a large screen TV for the main hall. This purchase will benefit both organizations and I believe is long overdue. We also will be hosting our annual "Turkey Shoot". This is always a great event for members of the council and their male (over 21) guests. I accidentally misstated at our last Business Meeting that there was no cost for this event. In fact, as in past years, the cost will be \$10.00. For this small amount you will get traditional Thanksgiving fare, soda/ tap beer and one raffle ticket for wonderful prizes. There will also be opportunities to win a turkey or two.

On Thanksgiving Day, we will have our traditional mass of remembrance. This year the mass will be at KC Hall. Thank you to our Church Director John Morrow, for making the arrangements for this sacred time to reflect and pray for the past Knights and Ladies of Holy Rosary Council.

Thank you for reading our newsletter and supporting the Knights of Columbus and Holy Rosary Council. Have a very Happy Thanksgiving and God bless you and your family.

Grand Knight

Ray Cordell

## Chaplain's Report

### *The Francis Factor*

The barricades are down, the crowds have all gone home and the cheering and waving has stopped. Like so many of us I too have watched the frenzy of media coverage for our Holy Father's visit to the U.S. Seeing the tens of thousands who lined the streets and highways just to catch a glimpse of his motorcade was awe inspiring. Those who had the opportunity to attend an event and actually hear him speak said that they were moved both emotionally and spiritually by his message and his presence.

The holidays are approaching and I am hopeful that in the coming weeks or perhaps months, we will see an increase in church attendance as a result of the Holy Father's visit. Perhaps we might see someone whom we haven't seen for a while or, maybe others who are not as familiar. I know I will be on the lookout for them because I've learned that, evangelization can begin with a kind word, with a warm and sincere welcome and, with a friendly handshake. In his homily in Philadelphia the Holy Father said, ***"Remember the little things, the gestures that often go overlooked, Love is shown in the little things."***

As we gather together with family and friends for our Thanksgiving celebration let us also remember to give thanks for everyone who ministers in our church and in our community to aid and assist our brothers and sisters in both the "Big and Small" ways.

***Whoever does not love does not know God, because God is love.*** (1 John 4:8)

Peace and Blessing

## Our Lady of Guadalupe

Dear Brother Knights,

We are proud to announce that a new Knights of Columbus produced documentary film on Our Lady of Guadalupe begins airing across the country this Sunday on ABC affiliated stations. Narrated by actor Jim Caviezel, *Guadalupe: The Miracle and the Message* paints a comprehensive and inspiring picture of the history, facts, legacy and continued relevance of Our Lady of Guadalupe throughout the western hemisphere and beyond. The airings are presented as part of ABC's Visions and Values Series and have a broadcast window from Oct. 11 to Dec. 10.

Over the course of four days in December 1531, the Virgin Mary appeared to an indigenous convert named Juan Diego. Most experts and historians affirm that more than any other, this event, and the image miraculously imprinted on Juan Diego's tilma (cloak), has resulted in the mass conversion of millions of Native Americans to the Catholic faith. The message of Our Lady of Guadalupe helped to build bridges between the two worlds and began the transformation of our continent. Her appearance compelled people and cultures to unite under her mantle of compassion and charity in a way that didn't exist before. Through her intercession, then and now, Americans have found a deep sense of common faith, hope and identity.

*Guadalupe: The Miracle and the Message* brings this remarkable history to life through modern reenactments, 3D animations of the mysterious image which allow viewers an unprecedented glimpse into the intricacies of the centuries-old wonder and interviews with leading theologians, historians and experts on the scientific inquiries into the story. The film delves into the inexplicable existence of the image on Juan Diego's tilma, the mystery found in her eyes and unveils breaking new anthropological insights into the symbols that spoke directly to the hearts of the indigenous people.

For more information about the film, including broadcast times and the DVD release, visit [www.guadalupefilm.com](http://www.guadalupefilm.com) or follow the hashtag **#guadalupefilm**.
