GRAND KNIGHT'S MESSAGE

Dear Friends,

Happy Easter! Happy Spring! Happy End of the Illinois Primary Elections (the phone finally stopped ringing)!

The fish fry season has ended and I want to thank everyone who worked, attended and supported the six-week event. We went through cases of fish and tater rounds (tater tots to all us baby boomers), bags of elbow macaroni and cheese, 100's of corn muffins and gallons of slaw. I especially want to thank PGK Mike McMahon for chairing the event and making sure all ran smoothly. This was no easy task because we had many special challenges, none the least of which was the weather. We started in February and the first Friday welcomed us with bitter cold. Not to be out-done, the second brought hurricane force winds. We all persevered and with the Good Lords help, it all worked out. Thanks Again to All!!!

Enough of the past. As everyone probably knows, Holy Rosary Council and the 15 North Hickory Corp. are hosting a fundraiser for Ashlyn Kiwala (wife of Brother Knight John Kiwala) on April 23, at the KC Hall from 2PM to 7PM. This will be a great event to support one of our own K of C family members. Most of the details are being handled by TEAM ASH and the food is being provided by Chuck and BarBQphoria , but we can use some help with volunteer bartenders (Catherine is working, but we need a couple more as well). Someone to sell 50/50 tickets (it is a K of C event after all) and general assistance. Please email me at gk4483@wideopenwest.com if you can lend a hand. Most of all though, please attend, have fun and spend money on a great cause.

Spring has sprung and the weather is finally cut us some slack, so enjoy the sunshine and new blooms. Summer will be here soon and then Fall (along with the general election calls, aaaaarrrrrrrggggggggggghhhhhhhhhh!)

Now go out and cut the lawn (or call a guy) and come on out to the Hall to see what is going on.

Fraternally,

Grand Knight Ray Cordell

December Charity.

Request: Watts of Love (\$135.00) - By Mike McMahon

Watts of love to assist Fr Gilbert Mashurano Associate Pastor at St James Parish. (Chaplain of Holy Rosary Council. Request is to purchase solar LED lanterns with cell phone charging ability for his home village in Tanzania.

In a country with minimum electricity no one should be left in darkness once the sun goes down. Light is the fastest way out of poverty because it allows people to be productive after sunset and to eliminate dependence on deadly and expensive kerosene. With access to light, abundant opportunities are illuminated.

January Charity:

State of the Art high school band competition (\$100.00): Requested by Michael Ferreter Knights of Columbus have chaired and shepherded this program since its beginning at Driscoll High School in Addison in 1981. This program receives support from Councils and Assemblies throughout the Chicago area. It is a cooperative between the Knights of Columbus State of the Art Committee, the High School Band Directors, and the Band Parents Club of the host school. In addition, the Columbia magazine editors recognized the uniqueness of this youth program with a featured article in the September 2013 issue. It provides a forum for Catholic high school music students to experience performing concert music in competition. Each of the 18 to 20 bands is a group of 25 to 110 young men and women who dedicate many hours of practice to learn to play the best concert band music. The 36th annual competition will be held at Marian Catholic High School at 700 Ashland Ave in Chicago Heights on Saturday February 20, 2016. The one-day all-day event starts at 8:30 am and ends when the trophies and plaques are presented at 6 pm. Our own St. Viator High School band is this year's defending champion. Our support will help to continue their musical growth

Chaplain's Report

April has always been one of my favorite months (especially since it is the month of my birth). It is hard for me to grasp that I've come this far on life's journey. Oh, don't get me wrong I'm not bragging or even looking forward to cashing in my chips. I'm just amazed when looking back on all that has happened to me and my family. It seems that 69 years seems have passed in the blink of an eye.

Time has always been the great equalizer. It is the one commodity we never seem to have enough of and yet, we do waste a lot of it by standing in lines, waiting for other people and of course, the greatest time waster of all, "THE INTERNET". People always seem to be in a hurry. It is how we live our lives and we encounter it every day, on our roads, in our airports, the check-out line at the Jewel. Where are we all going? And what's the urgency?

"It was the best of times, it was the worst of times" is the opening sentence of A Tale of Two Cities, by Charles Dickens, referring to the time of the French Revolution. I think we can all relate to this same phrase to our own life history. Time, "Yesterday is gone, tomorrow is a mystery, Carpe Diem". Each day is another opportunity to hear and answer God's call to each of us. Answer His call in big and small ways. Perhaps the best way to put this, is in the words of Fr. John Hurley, which are inscribed over the entrance to St. Edna's;

"Miracles happen from time to time, small wonders occur every day"

Find your small wonder today and perhaps you might stumble upon a miracle. May we continue to live with hearts that thirst and minds that wonder so that our days will be filled with smiles, laughter and joy and allow God's unconditional love to surround us.

Background from the Thomas More Society:

The National Abortion Federation (NAF) and Planned Parenthood have both filed federal -RICO- (racketeering) lawsuits against David Daleiden and the Center for Medical Progress in an attempt to silence free speech on the abortion industry's sale of fetal body parts.

The Thomas More Society brings years of experience to defending these cases. The Society was formed back in 1997 in order to continue the marathon efforts of its founding attorney, Tom Brejcha, to defend against the abortion industry's earlier effort to use RICO against the pro-life movement in NOW v. Scheidler, a national class action lawsuit. NOW v. Scheidler was prosecuted in Chicago from 1986 until 2014 when the Society won the case definitively after 28 years and three trips to the U.S. Supreme Court.

Contributing a dedicated defense to David Daleiden, Thomas More Society attorneys have been working around the clock, as well as travelling back and forth from Chicago to San Francisco (where the lawsuits are taking place) and Texas, where Daleiden was recently indicted. Please keep this case in your prayers!
