GRAND KNIGHT'S MESSAGE

Dear Brother Knights and Friends,

I would like to thank the council for giving me the opportunity to serve you as our Grand Knight. As all the new officers of the council take on their new positions, I wish to thank them all for standing up and serving our council. I would like us all to remember to respect the position that we all hold but to remember there is one title that is more important than any other title given. The most important title is that of "Brother Knight". Let us remember to always act in Unity and Fraternity for the betterment of our council.

On June 22nd our council had the privilege of hosting a first degree ceremony for 14 new members to the Knights of Columbus. Thirteen of these new members will be part of the newly formed Polish council for the Northwest Suburbs of Chicagoland. It was great to see the excitement of all these new gentlemen as they take on the challenge of starting the new Council. On behalf of our council I truly wish them all the very best.

With the new council in mind, we must always be vigilant in our own recruitment to keep our council strong and vibrant. I realize many of us live very busy lives and wish we could do more for our council. There is one great thing you can always do and that is to ask a friend at your parish to join us. We would like to start a new recruitment and admissions committee. We are hoping this will help get new members more involved in our council. If you are interested joining the committee please contact me.

Unfinished business from last fraternal year.

Chaplain's Report

Summer is upon us and our thoughts turn to family gatherings, cook outs and vacations. July of course gives us pause to reflect on the many freedoms we enjoy, as well as those individuals who fought to protect the values we hold so dear. As we enjoy the coming days of sun, leisure and family let us also remember those individuals who still do not enjoy the same safety and security we do, as a democratic society.

I hope you all have had the opportunity to read this month's Columbia and in particular the article by our Supreme Knight Carl Anderson. While the threats on Christians and Christianity as a whole may be oceans away, we must also be aware of the real threats that are present to each of us every day. The threats to our way of life, worship and community.

While we do not have to flee our homes or fear for our lives and the lives of our families, there are real threats present to us. Threats that present themselves to the values, rituals and traditions we hold sacred as Catholic Christians. While we may not have to take up arms or stand on the front lines of battle, we must always be attentive to these threats and combat them with the most powerful of all weapons, "THE TRUTH". "*I am the way and the truth and the life.* John 14:6

In the words of Blessed Mary MacKillop, "Never see evil and do nothing about it". Let us keep in mind our persecuted Christian brothers and sisters and pray that God will shelter them and provide them with aid and assistance through caring and thoughtful people.

A happy, safe and blessed July Fourth

Deacon Joseph Yannotta
