## Chaplain's Report

As we approach the celebration of our independence, let us remember that freedom, true freedom comes from peace, love and harmony. We read and hear so much today about the division our country is facing because of our political climate. But if we are to achieve any level of civility we have to stop being cultural warriors and become spiritual warriors. The following is an excerpt from Fr. Ron Rolheiser article "The Dangers in being a Warrior Prophet".

*"A prophet has to be characterized first of all by love, by empathy for the very persons he or she is challenging. Moreover, as Gustavo Gutierrez teaches, our words of challenge must come more out of our gratitude than out of our anger, no matter how justified the anger. Being angry, being in someone else's face, shredding those who don't agree with us with hate-filled rhetoric, and winning bitter arguments, admittedly, might be politically effective sometimes. But all of these are counter-productive long term because they harden hearts rather than soften them. True conversion can never come about by coercion, physical or intellectual. Hearts only change when they're touched by love.*

*All of us know this from experience. We can only truly accept a strong challenge to clean up something in our lives if we first know that this challenge is coming to us because someone loves us, and loves us enough to care for us in this deep way. This alone can soften our hearts. Every other kind of challenge only works to harden hearts. So before we can effectively speak a prophetic challenge to our culture we must first let the people we are trying to win over know that we love them, and love them enough to care about them in this deep way".*

May we truly embrace our civil and religious freedoms and share them with mutual respect and love.

Peace and blessing to all  
Deacon Joseph Yannotta

## Building Corporation

Gentlemen:

We are at a critical time for the life and future of the Hall. As the Director of Marketing for the Building Corp, I am asking each and everyone of us to take an active role to insure the future of the Hall. Most of our renters are Social Media savvy. They do research before booking a hall for their event. What is critical is that we, as members all of the Building Corp, help our ongoing efforts to "spread the word" of the renovation and our great facility. The easiest and best way to do this is via Facebook. If you are not familiar with Facebook or seem challenged as to how to use it to our benefit, we will be conducting an upcoming seminar to walk through the steps and get you on board. It is easy and it's help is quite necessary for the sustainability of the Hall.

Stay tuned for more and thanks.

Mark Stastny and the BC Officers...

The Produce Mobile from the Chicago Food Depository is coming back to St. Emily 1400 E Central Road Mount Prospect, IL 60056 on July 13 2017. Rain, snow or shine, our guests will be there. Will you be able to help? Produce and bread stuffs are available to our guests or anyone you may know who could use free food beginning around 9AM and finishing around 11:30AM or so.
