Pray The Rosary

On the second Tuesday of each month at 7:30 p.m. at our hall, all are invited to come and pray the Rosary with us. This is a great way for families to come together in prayer. This is open to the public. Please invite friends, family and neighbors. In today's complicated world we could all use more prayer in our life.

At our February Meeting a motion was placed on the floor that would allow the council to designate \$1,000 from the general fund in the case that the charity budget was depleted. Since this amount exceeds \$500, our Bi-Laws (Article VII, Section 3) require that the motion once presented must wait for the subsequent meeting to be voted on. This motion will be presented at the March 1, 2012 meeting under unfinished business.

GRAND KNIGHT'S MESSAGE

Our Lenten Retreat

Our Lenten journey has begun. This is the time of year for Catholics to refresh and recharge our faith. It can be a valuable time for our personal retreat. The entire month of March will fall under Lent this year. This is a great opportunity to reevaluate where we are in our faith life and renew or make new commitments to living out our faith. As members of the Knights of Columbus, Lent can be an opportunity to recommit to living out our pledge as Knights. We have a pledge to protect our church and reach out to those in need. We have a pledge of Charity, Fraternity, Unity and Patriotism. I encourage you to take time this Lent and pray about your commitment to the Knights of Columbus. If you think of the world as pulling and tugging us away from our faith in favor of abortion, materialism, greed and distractions then we as Knights are called to be the other end of the tug-of-war pulling back into the hands of our Lord. Therefore we as Knights must band together in unity. We need all hands on deck.

Our council is blessed with 480 members but the same sixty are doing all the tugging. We do not need everyone to become officers or spend many nights in activities. What we need is everyone to make some commitment. A suggestion from Supreme called for giving the Knights 24 hours a year. Attend a business meeting or two; get involved in an activity; offer your talent to one of our committees, or better still introduce a new idea that you might have for activities. For those of you involved with families, sports, after school activities and feel you do not have the time to give; I challenge you to come up with new council activities that will include the whole family. Think about how more vibrant our council would be if we included our wives and families in more activities. May your 2012 Lenten retreat be fulfilling.

Please continue to remember those in our council who need our prayers. Let us also remember our troops who are returning home and those troops still overseas.
